TECHNICAL TALK

More information on the coming of high technology to the Technical Division. . . . Bill Stringfellow was in Montgomery this week for the evaluation and finalization for computerization of drafting equipment that will be at the college by summer. Plans call for the equipment to be operational by Fall quarter. . . . During the same time industrial electricity instructors Bill Quimby and Bill Hogue attended a meeting at John Patterson Technical College. The purpose was to review the specifications for the new shop equipment in order to advance into high technology through the purchase of industrial control equipment. . . . Quimby said the equipment will be new for the state of Alabama and will help the state catch up in the State of the Art with industry. . . . Electronics, according to instructor Donald Seales, has sophisticated equipment for first year electronics students. Ralph Prewitt who teaches second year electronics will get the new sophisticated equipment. . . . All in all, drafting, the machine shop, numerical control, electricity, and electronics will all have new, high technology faces by Fall quarter.

FROM THE FIRE COLLEGE

The fourth annual Fire College Week will be held April 18-22 at the Fire College. Drill subjects scheduled for coverage are fire behavior, fire streams, protective breathing apparatus, and ventilation. The advisory committee for the Alabama State Fire College includes: Chief Johnny Rollings, Albertville; Chief Winston Boutwell, North Shelby; Chief Donald McGough, Prattville; Chief Perry Jones, Langdale; Chief Lonnie Webb, Scottsboro; E. M. Peoples, Trussville; H. P. McAlpine, Birmingham; C. D. Musso, Bessemer; William L. Langston, Mobile. Ex-Officio members are Dr. Wayne Teague, Victor Poole, and James L. Watts.

SHELTON HIGH SCHOOL ART CONTEST SCHEDULED

Shelton art instructor Bethany Engle has announced plans for Shelton State Community College's annual High School Art Show. Judging was Friday, April 8, and winners will be announced this week. The participating students, their parents, friends, and teachers will be honored at a tea in the library on Sunday, April 17. All Shelton staff and faculty are invited to attend.

SHELTON FACULTY PARTICIPATE IN AJCCA CONVENTION

Five members of Shelton State Community College's faculty have been selected to participate in the annual Alabama Junior/Community College Association convention to be held in Birmingham April 14-15 as part of Alabama Junior and Community College Week. The theme for this year's convention scheduled to be held at the Birmingham Hilton will be "Putting Alabama Back to Work."

Britt Turner, instructor of management at Shelton will speak to the building maintenance branch of the staff support on "Quality of Work Life, Application of Reinforcement Theory, and Productivity Improvement on the Job." Shelton English instructor Jim Jolly has been chosen chairman of the faculty commission and Dr. Bennie Ford of Shelton's science department is chairman of the science instructors. Gene Plott, physics instructor, will speak on computer programming for science instructors. Bruce Bizzoco will speak on "Junior College Involvement in the Alabama Council for Computer Education."

ATTENTION STUDENT LIFE MEMBERS

Dean Lee has announced that all dining club coupon books that are being sold by members of Student Life must be returned along with all money by Wednesday, April 13. Please make this information available to all Student Life members, Dean Lee said.

ANYONE INTERESTED IN PLAYING IN THE MENS SOFTBALL LEAGUE THIS SUMMER SHOULD GO BY DEAN LEE'S OFFICE AND PICK UP A SCHEDULE.

INTERESTED IN ATTENDING STILLMAN

Any Shelton State student interested in attending Stillman College this fall should plan on attending the tour scheduled for Wednesday, April 13 to Stillman. This tour is being sponsored by Shelton's Afro American Cultural Association and will include visiting various administrators, counselors as well as academic programs. If you are interested in Stillman, contact Bessie German immediately.

PATRICIA LYNN STEWART WILL REPRESENT SHELTON STATE COMMUNITY COLLEGE IN THE MOST OUTSTANDING STUDENT COMPETITION SCHEDULED FOR THE AJCCA CONVENTION IN BIRMINGHAM. THE WINNER OF MOST OUTSTANDING STUDENT AWARD WILL RECEIVE A YEAR'S SCHOLARSHIP TO A NUMBER OF THE STATE'S UNIVERSITIES .

PARKING INFO

Because of parking violations (parking in fire lanes and parking in NO PARKING zones in front of the building), the county transit buses will no longer pick up and drop off students at the front of the college. The new bus stop will be at the entrance next to the Bonnie & Clyde's sign.

SCHOLARSHIPS AVAILABLE TO UNIVERSITY OF MONTEVALLO

Applications are still available for scholarships to the University of Montevallo this fall. For more information or to pick up a scholarship form, contact Tom Umphrey.

SHELTON BOWLING TEAM FORMED

Shelton State Community College currently has a bowling league formed on Wednesday afternoons at 3:30 p.m. at Kimberly Lanes. Three people are needed to make up a team. If you are interested in joining a team or if you need more information, contact Diane Layton.

SHELTON RAINS OUT

Shelton State's women's softball team was able to play only one game this week because of the weather. On Tuesday, Shelton's women beat Livingston University 5-2. This week-end they play in Pensacola in the West Florida tournament.

THE STUDENT LIFE ASSOCIATION WILL MEET WEDNESDAY AT 12:15 p.m. IN DEAN LEE'S OFFICE. ALL INTERESTED STUDENTS ARE INVITED TO ATTEND.

LIBRARY OFFERS COMPUTER INSTRUCTION

The library of Shelton State Community College is offering a "hands on" experience with four personal computers on Wednesday, April 20, from 9 a.m. - 2 p.m. This is being held as part of Alabama National Library Week, Sully Cochrane reports. Representatives from Texas Instruments, Northstar, Apple, and I.B.M. will be in the library to demonstrate their computers and answer questions. **THIS IS YOUR OPPORTUNITY TO IMPROVE YOUR SKILLS. DON'T BE LEFT OUT OF THE COMPUTER REVOLUTION!**
